__Excellent -__

1. B491 (29/06/2026) AYSWARYA JOSEPH -------good one-to-one interaction, background was there, asked questions by calling individually, can play topic related videos and share HWs

2. B472 (24/08/2026) MAYURI SAVALKAR---------good rapport building, consider everyone in the class, individually asking questions given HWs

__Good-__

1. B552 (02/09/203326) BLESON BASTIN ---------good intro and introduction, fixed 8*8 background, given HWs, need more pleasant interaction

2. B435(25/07/2026) ALEENA ANN BIBY ---------good introduction, consider everyone in class, individually asking questions with everyone, should give HWs

__Average -__

1. B516 (03/09/2026) RESHMA P M ----------kept 8*8 background, individually considering each and every one in class in the beginning and during puzzles solving time also, given HWs, some clarity issues were there while keeping the background

2. B435 (28/08/2026) Sumit Ranjan --------- background was there, one-to-one consideration was there, individually ask questions, need more energetic communication and more pleasant interaction, should give HWs, can sit in space where have light

__Weak-__

1. B558 (05/09/26) Pranav Kumar ----------kept background, need a better intro and conclusion, should give a time for the new Joines for self-introduction, need more energetic and pleasant interaction

2. B482 (02/09/2026) TSP Abhishek---------- kept background, ask questions individually, directly go to revision of previous class without a proper rapport building, should give a time for the new joiners for self-introduction, sometimes tutor's camera was turned off while teaching

__Known quality issues-__

1. B392 (02/09/2026) Pavan Babu ----------interaction was there, but no background, need a better happy interaction with the kids, informed about the quality issues several times

2. B441 (26/09/2026) Yasar Abdullah ---------- kept background but can't see his face, directly entered into class without proper rapport building, need a good happier communication
